Key Front rotors

O: Available X: Not available due to interference

Rear rotors

Blank space: we do not have the required information to manufacture (please see the explanation on the last page)

- X: Not available due to interference
- O: Available. OE handbrake is drum type, our brakes will retain the original handbrake function
- OE handbrake is line-lock type, with our line-lock systems the original handbrake function will be retained
- p: The OE handbrake is an electronic type. We do not recommend modifying the rear brakes.
- △ : Available, but we do not have the required information for the handbrake so these kits will not retain the handbrake function

Important Information

- 1. If we lack the required information to manufacture an application, please help us to take measurements and fill out our measurement form.
- 2. Vehicle applications are constantly being updated. We reserve to right to alter any information on this application list.
- 3. As the information in this list is regularly updated, please inform us if anything is incorrect.
- 4. Please find the product warranty information on the last page.

Controller (F-R)
